FAMEX

Feria Aeroespacial México

Discover innovation and excellence in the aerospace industry during FAMEX 2025, the most important aeronautical event in Latin America!

The event is organized by the Ministry of National Defense (SEDENA), through the Mexican Air Force, counting during its 5th edition in 2023 with the participation of 703 exhibiting companies from 51 countries.

In 2017, the Mexican Aeronautical Industry grew 18% and exported more than 7.2 MMD; FEMIA estimates a sustained growth that by 2025 would reach more than 12 MMD in exports.

Mexico is the gateway to the most important market in the world, it has become one of the main centers of the aeronautical sector in Latin America and the world, a leader in manufacturing in every phase of the industry, from design, engineering and assembly to reconversion, maintenance and recycling.
