SUBJECT Countervailing Duty Investigation of Aluminum Extrusions from the Republic of Türkiye: Briefing Schedule

On May 3, 2024, the U.S. Department of Commerce (Commerce) released its post-preliminary decision in the above-referenced CVD investigation.¹ Since the post-preliminary decision, Commerce conducted verifications of both mandatory respondents, Erdoğanlar Alüminyum Sanayi ve Ticaret A.S. and Sistem Alüminyum Sanayi ve Ticaret A.S.² We therefore are now establishing the briefing schedule for the investigation.

Accordingly, for all interested parties, case and rebuttal briefs are no later than 5:00 p.m. Eastern time to Commerce via ACCESS, on the following dates:

Case Briefs: Thursday, June 27, 2024
Rebuttal Briefs: Tuesday, July 2, 2024

As stated in the *Preliminary Determination*,³ interested parties who submit case briefs or rebuttal briefs in this proceeding must submit: (1) a table of contents listing each issue; and (2) a table of authorities.⁴

¹ See Memorandum, “Decision Memorandum for the Post-Preliminary Analysis in the Countervailing Duty Investigation of Aluminum Extrusions from the Republic of Türkiye,” dated May 3, 2024.

² See Memorandum, “Verification of the Questionnaire Responses of Erdoğanlar Alüminyum Sanayi ve Ticaret A.S.,” dated June 5, 2024; *see also* Memorandum, “Verification of the Questionnaire Responses of Sistem Alüminyum Sanayi ve Ticaret A.S.,” dated June 5, 2024.

³ See *Aluminum Extrusions from the Republic of Turkey: Preliminary Affirmative Countervailing Duty Determination and Alignment of Final Determination with the Final Antidumping Duty Determination*, 89 FR 17399, 17401 (March 11, 2024) (*Preliminary Determination*).

⁴ See 19 CFR 351.309(c)(2) and (d)(2).

As provided under 19 CFR 351.309(c)(2) and (d)(2), in prior proceedings we have encouraged interested parties to provide an executive summary of their brief that should be limited to five pages total, including footnotes. In this investigation, we instead request that interested parties provide at the beginning of their briefs a public, executive summary for each issue raised in their briefs.⁵ Further, we request that interested parties limit their executive summary of each issue to no more than 450 words, not including citations. We intend to use the executive summaries as the basis of the comment summaries included in the issues and decision memorandum that will accompany the final determination in this investigation. We request that interested parties include footnotes for relevant citations in the executive summary of each issue. Note that Commerce has amended certain of its requirements pertaining to the service of documents in 19 CFR 351.303(f).⁶

Should you need further assistance or information with regard to this matter, please contact T.J. Worthington at tj.worthington@trade.gov.

⁵ We use the term “issue” here to describe an argument that Commerce would normally address in a comment of the Issues and Decision Memorandum.

UNITED STATES INTERNATIONAL TRADE COMMISSION

WASHINGTON, DC 20436

June 17, 2024

To Whom It May Concern:

This questionnaire pertains to aluminum extrusions. The United States International Trade Commission is investigating aluminum extrusions under the provisions of Subtitle A and Subtitle B of Title VII of the Tariff Act of 1930.

In this proceeding, the Commission must determine whether an industry in the United States is materially injured or is threatened with material injury, or the establishment of an industry in the United States is materially retarded, by reason of imports from China, Colombia, Ecuador, India, Indonesia, Italy, Malaysia, Mexico, South Korea, Taiwan, Thailand, Turkey, United Arab Emirates, and Vietnam of aluminum extrusions that are sold in the United States at less than fair value and subsidized by the governments of China, Indonesia, Mexico, and Turkey. The Commission has posted its notice of this proceeding (attached) on its website (www.usitc.gov) and published it in the *Federal Register* (89 FR 45677, May 23, 2024).

The business proprietary information you supply in this questionnaire or in connection therewith will be so treated by the Commission and will not be disclosed except as may be required by law. Your response will be consolidated with the responses of other firms and will form much of the statistical base for the Commission's determination.

As noted on the last page of the questionnaire, responding firms should submit their questionnaire responses electronically in MS Word format. The submission of questionnaire responses in the MS Word format allows the Commission to electronically extract data from questionnaires and thus, compile, assess, and analyze submitted data more efficiently and promptly. Furthermore, the electronic submission of questionnaires completed in MS Word facilitates the Commission's ability to produce documents that comply with section 508 of the Rehabilitation Act of 1973.

Please return the completed questionnaire to the Commission by no later than **July 19, 2024**. Please direct questions regarding the questionnaire and correspondence to Jordan Harriman (jordan.harriman@usitc.gov, 202-205-2610) at the U.S. International Trade Commission, 500 E Street, SW, Washington, D.C. 20436.
