Ankara, 07/08/2025

Konu: Brunei - Kamu Binalarındaki Şebekeye Bağlı Güneş Fotovoltaik Sistemi İhalesi

Sayın Üyemiz,

Türkiye İhracatçılar Meclisi (TİM)'den alınan bir yazıda, Ticaret Bakanlığından alınan bir yazıya atfen, Brunei'de bulunan kamu binalarındaki şebekeye bağlı güneş fotovoltaik sistemi ihalesine ilişkin duyuru hakkında bilgi verildiği bildirilmektedir.

İlave bilgi için Kuala Lumpur Ticaret Müşavirliği (kualalumpur@ticaret.gov.tr) ile temasa geçilmesinin faydalı olacağı değerlendirilmektedir.

Bilgilerine sunulur.

S. Tansel KÜNBİ

DEPARTMENT OF ENERGY
PRIME MINISTER'S OFFICE | BRUNEI DARUSSALAM

GRID-CONNECTED SOLAR PHOTOVOLTAICS SYSTEM AT ROOFTOP AND ASSOCIATED CARPORTS OF GOVERNMENT BUILDINGS IN BRUNEI DARUSSALAM

OPEN INVITATION FOR REQUEST FOR INFORMATION ("RFI")

REF NO: DOE / ETD / RE / RFI / 2025 (01)

The Department of Energy at the Prime Minister's Office ("DOEPMO"), Brunei Darussalam wishes to invite eligible companies (local and international) to submit an RFI response on the implementation of grid-connected solar photovoltaics system at rooftop and associated carports of government buildings in Brunei Darussalam. This RFI is intended to assess market interest in the implementation of rooftop solar projects at government buildings in Brunei Darussalam and to obtain localised cost estimates for such installations.

Scope of Work and Main Deliverables:

Scope	Main Deliverables
Visual rooftop structural inspection and reporting	Conduct general visual inspection of the Sites and provide general information on the structural conditions of the existing rooftops, estimated installed capacity and annual energy output and estimated cost.
Summary of prices for end-to-end scope	Provide summary of prices for individual site from design, supply, installation, testing and commissioning, application of net-metering, maintenance, decommissioning and additional scope for specific site.
Summary of prices for non-technical scope	Provide summary of prices for financial evaluation, data monitoring, training and project close out.

Qualifying Criteria:

This invitation is open to local and international companies that have:

- Proven track record of at least three (3) years in the design, construction, commissioning, operation and maintenance of rooftop solar projects of comparable size and complexity, delivered on time and within budget, either regionally and internationally
- For international company, the company shall form a Joint Venture (JV) Partnership with a local Brunei company

Further requirements:

- Must speak and write fluently in English language and have excellent written presentation and reporting skill

- Must be familiar and have tangible experience to all relevant industry standards, codes and regulations in ASEAN and Brunei Darussalam

Registration Procedure:

To obtain the RFI documents, interested companies shall register by sending an email to renewable.energy@energy.gov.bn with the subject heading: "Grid-connected Solar Photovoltaics System at Rooftop and Associated Carports of Government Buildings in Brunei Darussalam."

No payment is required to obtain the RFI document. Upon completion of registration, RFI document will then be issued.

Deadline for completed submission is no later than 2.00pm (GMT +8.00) on **Tuesday, 29th July 2025**. Late submissions will not be entertained.

For all correspondence, please contact:

Renewable Energy Unit,
Energy Transition Division,
Basement 1,
Prime Minister's Office,
Jalan Menteri Besar,

BRUNEI DARUSSALAM
Tel: +673-2384488
Email: renewable.energy@energy.gov.bn

Note: This advertisement does not constitute an offer from DOEPMO and shall be subject to terms and conditions stated in the RFI Documents.

LAMPIRAN 2

The Department of Energy at the Prime Minister's Office seeks to drive sustainable energy efforts through the implementation of renewable energy to diversify the nation's energy mix.

Note: This advertisement does not constitute an offer from DOEPMO and shall be subject to terms and conditions stated in the Tender Documents.

Invitation for Request for Information (RFI)

The Department of Energy at the Prime Minister's Office ("DOEPMO"), Brunei Darussalam wishes to invite eligible companies (local and international) to submit an RFI response for the grid-connected solar photovoltaics system at rooftop and associated carports of government buildings in Brunei Darussalam.

Further details of the Scope, Qualifying Criteria and Requirements can be obtained from the Department's website: <https://www.energy.gov.bn>

The closing date for the RFI is 29th July 2025 2.00pm.

Registration

To register for the RFI, interested proponents should send an email to Renewable Energy Unit under the Energy Transition Division, Department of Energy at the Prime Minister's Office at the following email, renewable.energy@energy.gov.bn with the subject heading:

**GRID-CONNECTED SOLAR PHOTOVOLTAICS
SYSTEM AT ROOFTOP AND ASSOCIATED CARPORTS
OF GOVERNMENT BUILDINGS IN BRUNEI
DARUSSALAM**

Interested proponents should refer to the RFI requirements found on the Department's website before registering.
