Ankara, 19/11/2025

Sayın Üyemiz,

Türkiye İhracatçılar Meclisi (TİM)'den alınan bir yazıda, Türkiye İhracatçılar Meclisi (TİM), Türkiye ihracatçılarının küresel pazarlarda rekabet gücünü artırmak, yeni ticari iş birlikleri geliştirmek ve ihracat ağını genişletmek amacıyla düzenli olarak uluslararası ticaret ve alım heyetleri organize etmektedir.

Bu kapsamda, T.C. Ticaret Bakanlığı koordinasyonu, Meclisleri ve Bulgar Türk Ticaret ve Sanayi Odası iş birliği ile gerçekleştirilmesi planlanan **“Bulgaristan Alım Heyeti B2B Görüşmeleri”** etkinliğine Başta Demir ve Demir Dışı Metaller, Makine ve Aksamaları, Otomotiv ve Yan Sanayi, Tekstil ve Hazır Giyim ve Ürünleri, İnşaat ve Yapı Malzemeleri, Elektrik-Elektronik, Gıda Ürünleri ve Kimyevi Maddeler ve Mamulleri olmak üzere tüm sektörlerle açık olduğu ifade edilmektedir.

Bilgilerine sunulur.

Emre OLGUNER
Genel Sekreter A.
Şube Müdürü V.

additional participant - Nora Georgiev; Considering our core activity – the production of sports, luggage, technical (including defense sector) and ladies' bags – we are interested in sourcing materials suitable for their manufacture. Specifically, we are looking for: •Textiles – mainly coated fabrics over 250 g/m², similar to Cordura, Ballistic, etc. •Natural and artificial leather •Metal and plastic fittings – carabiners, rings, buckles, accessories, snap fasteners •Zippers – plastic (coil) and metal •Equipment and consumables used in sewing production We would like to establish contact with companies that can supply these materials with the required quality and reliability in delivery.
leather, silk, accessories for belts
Glass packaging, bottles, plastic preforms for PET bottle blowing, aluminum or plastic bottle caps, labels
We are also interested in packaging solutions and decorative materials for pastry products
wine bottles; establish contacts with traders who would like to import wine from BG
Additional participant - Ivan Petev Valkov. Preferable suppliers: Soma cemento, Oyak cemento, Burssa cemento, Asian cimento, Nuh cemento, Cementas cemento, Limak cemento, Tracim cemento, and others cement producers.
I would like to meet as much as possible suppliers or raw materials for automotive and industrial business in plastics and mechanics parts, cables and electronics.
I would like to establish contact with Turkish companies that purchase and process waste plastic, as well as those that offer ready-made recycled plastic regranulates.

Tichert Ltd. is engaged in the processing of steel blanks of various lengths, up to 3 meters, in the form of tubes, as well as solid round, square, hexagonal, and other bars made of various metals, primarily steel.

For this reason, the idea is to establish contact with several companies that supply such materials, since it is well known that Turkish suppliers offer high-quality products at very competitive prices.

Building materials and components for green energy, solar panels, and energy storage batterie

We are highly interested in the import of metals in the form of sheet material and pipes made of ferrous and non-ferrous metals (AISI 304 and AISI 316). It is important for us that fittings and components are available for the construction of pipelines, specialized vessels, pressure vessels, and, for example, heat exchangers.

We manufacture machines and industrial equipment and carry out installation activities in various industries — pharmaceutical, mining, and food & beverage.

Last but not least, we can also offer specialized products to interested industrial buyers or traders. We have the capacity for serial production of equipment based on technical drawings.

professional kitchen equipment, as well as products in the field of ventilation and air conditioning.

The field of our business is the trade of spare parts and consumables for trucks and trailers. Manufacturers of spare parts and/or consumables for the transport industry (trucks and trailers) would be of interest for a meeting.

We are interested in chemical raw materials, for example those used by cosmetics manufacturers. We would like to establish contact with producers of chemical raw materials.

-0035988830287	1000000	40	We are looking for an investor/strategic partner to whom we can possibly sell 50% or more of our company and work together. Separately, we also have a 19000m2 plot of land in a strategic location in our city.
0888950555	150 000	5	We offer our own food supplements. If there is interest, we will attend. Our other proposal is the production and supply of equipment designed to extend the shelf life of food products—such as fruits and vegetables—as well as to remove pesticides, fungicides, and bacterial contamination from them.
