Dear partners,

I hope this email finds you well. As part of the valued relationship between the Constanța Chamber of Commerce and our esteemed partners, we are excited to share details about three of our most prominent events this year—**INTERIO 2025**, **Maritime Business Week**, and **Smart Energy Expo 2025**. These events, each with international participation and built on the success of previous editions, represent key opportunities to foster collaboration, innovation, and mutual growth and we would greatly appreciate your support in disseminating this information to all interested parties, hoping that there will be a lot of interest for the companies to join our fairs, as exhibitors or visitors.

For any further details, please do not hesitate to contact us.

INTERIO 2025

Date: 3-6 April 2025

Location: Constanta Exhibition Pavilion, Romania

INTERIO 2025 marks a new chapter in the portfolio of exhibitions organized by **CCINA Constanța**, redefining and expanding the tradition of over 20 years of success of the Hotel Equipment Showroom and the Furniture Fair. The event will become a benchmark for the **Hospitality** industry, interior design, and the general public interested in modern and functional solutions. **INTERIO 2025** offers a complete experience, with products and services tailored to every need, creating a comprehensive picture of what innovation in **design, furniture, and professional equipment** means in 2025. The event will also have a practical and educational dimension for businesses in the Hospitality sector, through **informational and consultation events** in collaboration with **regulatory institutions**.

Maritime Business Week 2025

Date: 20-23 May 2025

Location: Constanta Exhibition Pavilion, Romania

<https://maritime-business.ro/>

The most important event in the maritime industry has reached its fourth edition. This event will take place in Constanța, Romania, and promises to be a key meeting point for industry leaders, professionals, investors, and innovators. As a premier for this edition of Maritime Business Week, we will be celebrating for the first time in our city Constanta Port Day, together with the Port Authority.

Maritime Business Week will host an exciting series of conferences and seminars aimed at exploring the latest trends and innovations in the maritime industry. From discussions on cybersecurity to risk management and insurance, each conference will provide valuable learning and networking opportunities for participants. We are expecting exhibitors from all sectors in the maritime industry: shipbuilding | maritime equipment | propulsion systems | ship operation equipment | electrical systems | technology | maritime services | shipowners | pleasure craft | fishing | aquaculture etc.

Smart Energy Expo 2025

Date: 18-21 September 2025

Location: Constanța Exhibition Pavilion, Romania

<https://smartenergyexpo.ro/home-en/>

This international event focuses on the future of energy and sustainable solutions. It brings together experts, investors, and policymakers to discuss innovation and share insights. The exhibition will feature the latest advancements in renewable energy, energy efficiency, and

smart technologies. The event will also host interactive panels and discussions on global energy trends, sustainability, and green initiatives, thus fostering partnerships and exploring new market opportunities.

These events represent unique platforms for collaboration, knowledge exchange, and business development across critical industries. We believe they offer immense value to your members, and their participation would enhance the richness of these gatherings.

We would be truly grateful if you could assist in sharing this information with the network via newsletters, bulletins, or any other communication channels you deem appropriate. Please find attached the presentations for the events, and if you require additional details, please let us know. We would be delighted to provide them and are open to any suggestions for collaboration.

Thank you for considering our request, and we are looking forward to your feedback.

Best regards,

Ruxandra Serescu
