Your Excellency,

Official Invitation to Participate in the 25th Edition of Mine Entra
20-22 July 2022

On behalf of the ZITF Company, I have the pleasure of extending this formal invitation to your country for its participation in the Silver Jubilee edition of Zimbabwe's premier mining, engineering and transport expo scheduled for 20-22 July at the Zimbabwe International Exhibition Centre (ZIEC) in Bulawayo. Mine Entra 2022 will be the 25th non-consecutive edition of the event following a 2-year hiatus due to the global health pandemic.

Mine Entra 2022 comes at a time when Zimbabwe's top export sector – mining, is on a steady path to attaining US\$12billion in output by 2023, a feat that calls for the deliberate contribution and cooperation by all relevant stakeholders in order to meet this target. This calls for the immediate review of operations at every level towards meeting the ambitious vision for the sector. In this regard, this silver jubilee edition will support this dedication to the development and growth of the mining industry by key players; and will serve as a conduit for creating necessary platforms for dialogue and engagement for said stakeholders within the mining industry. Running under the theme "**Explore. Extract. Expand – Towards Sustainable Mining Value Chains,**" the expo aims to:

- Create a platform for a frank discussion amongst all mining industry value chain players, including policy makers, producers, suppliers and potential investors, on the future of the industry and opportunities for growth,
- Spotlight recovery of the Mining sector following the advent of the COVID 19 pandemic and its resultant shocks on the mining economy,
- Promote value addition and beneficiation throughout the mining industry value chain, and,
- Position Zimbabwe as an investor friendly environment that has opportunities in the mining sector.

EVENT DETAILS

Running concurrently with the exhibition will be a number of tailored and industry driven concurrent networking events aimed at enhancing knowledge and information sharing, making connections as well as increasing exposure to markets and trends.
