**SİRKÜLER (G-2022)**

Sayın Üyemiz,

İhracat Genel Müdürlüğü Fuar İzinleri ve Destekleri Daire Başkanlığı'ndan alınan bir yazıda, Doha Ticaret Müşavirliğimizden alınan yazıya atıfla, 29-30 Mart 2022 tarihleri arasında Akıllı Şehirler Fuarının (Smart City) Doha-Katar'da düzenleneceği bildirilmektedir.

Anılan fuara 2019 yılında 39.000 ziyaretçinin katıldığı, 444 serginin açıldığı, 30 sponsor ve 100 katılımcı ülkenin temsil edildiği, 10.000 konferans ve atölye çalışmasının yapıldığı belirtilmektedir.

Bilindiği üzere “Yurt Dışında Gerçekleştirilen Fuar Katılımlarının Desteklenmesine İlişkin 2017/4 Sayılı Karar” kapsamındaki desteklerden yararlanılabilmesi için, katılım sağlanacak fuarların Bakanlığımız internet sitesinde yer alan “Desteklenecek Yurt Dışı Fuarlar Listeleri”nde yer alması gerektiği belirtilmektedir.

Bilgilerine sunulur.

# Smart City Expo Doha

**Fira de Barcelona** -organizer of the international benchmark event **Smart City Expo World Congress**- under The Patronage of His Excellency **Sheikh Khalid Bin Khalifa Bin Abdulaziz Al Thani**, The **Prime Minister of Qatar**, and **The Ministry of Communications and Information Technology (MCIT)** are joining forces to organize the second edition of the Smart City Expo Doha, that will take place from 29th to 30th of March 2022, at Qatar National Convention Center (QNCC), in the city of Doha (Qatar).

**"Sustaining a future of resilience"** is the core motto of the new edition, which aims to identify specific solutions to address the challenges cities are facing nowadays, as well as share the knowledge and the latest urban innovations in order to push forward on how to build better places to live in. Over two days, this congress and exhibition event will hold several sessions to outline and discuss different topics such as Sustainable cities, Reshaping digital public services, City as a platform, Global economy and digital readiness, Sports events in a connected society, among others. The event will gather key

stakeholders from **public administration, policy-makers, experts, researchers, activists, and community organizers**, as the best way to work together on sustaining a future of resilience, continuing at the forefront of change and collaborating in order to accelerate new social and economic paradigms, contributing value to our cities.

Taking into consideration that the title of the slide is the same as the name of the logo, we can remove from this slide the logo; but from this slide onwards we should place it in every slide on the top right when possible.
